

THE NATURAL ALTERNATIVE

HempVAP™ introduces a first of its kind CBD oil vaporizer pen. Unlike other vapes on the market, our sleekly designed vaporizer doesn't use nicotine or THC, and creates no "buzz" or "high". Instead, you receive only fast acting CBD with each and every flavorful inhale.

PARTY KIT

HempVAP™ Party Kit is perfect for throwing a vape party. The HempVAP™ Party Kit includes 4 CBD oil atomizers and 15 replacement tips.

TERPENES

Our HempVAP™ CBD oil vaporizers are flavored with organic terpenes found in cannabis plants, including hemp. Terpenes are responsible for a plant's aroma and flavor and may have a range of uses since they can interact with many types of cell receptors and enzymes.

Premium natural oil, expertly cultivated from non-GMO hemp.

APPLICATIONS AND USE

May be used anywhere vaporizers are permitted. HempVAP™ CBD oil cartridges are compatible with any 510 threaded battery.

BENEFITS

Contains THC free CBD oil

Discreet enough and easy to use anytime, anywhere vapes are permitted

No smoke, nicotine, tobacco, unpleasant odor or ash

Pleasant and flavorful vapor; no risk of second-hand smoke exposure

Simply screw cartridge into battery, being sure not to overtighten. Engage battery to heat oil and inhale steadily from mouthpiece.

INGREDIENTS

100 mg of CBD from hemp oil; sustainably sourced medium-chain triglyceride (MCT) oil;

Flavored with organic terpenes like;

- alpha-pinene
- myrcene
- limonene and
- linalool

for an all-natural botanical flavor.
