# CANNABIS BEAUTY CARE

---

Cannabis Beauty takes a natural, hemp-based approach to skin care with its line of CBD-infused products, combining ancient Korean herbal extract blends and modern active ingredients. Cannabis Beauty skin care products contain no petroleum products, no sulfates, and no parabens for a pure, botanical approach to caring for your skin.

## THE IMPORTANCE OF INGREDIENTS

### BĪBONG HEMP FORMULA

BĪbong® herbal formulas are rare East Asian extract blends that have been used in Korean Beauty Rituals for centuries and are renowned for their unparalleled skin-enhancing properties.

Hemp, one of the fundamental herbs in traditional medicine, works synergistically with our BĪbong® botanical extracts to enhance the radiant and youthful appearance of your skin.
